

Sporting our new band shirts. we performed for park goers at Wireless Hill Park on Sunday 19th September.

Our repertoire included Those Magnificent Men in Their Flying Machines. the ever popular Abba Suite featuring a solo by Ray on flugel, New York, New York and crowd favourites, Old Time Medley and Sway. John on cornet performed the solo in Memory beautifully and Aiden on trombone wowed the crowd with the Pink Panther theme.

Band members enjoyed an after gig BBQ and Rachel's birthday cake. Thanks to all those who came to listen on the day.
